

# HOM GOD SEES ME

The almighty, all powerful God of the universe has such a radical love for each of us that we will never fully understand the depth, width, length and height of it. To add to that he is completely committed to us, has a purpose for each of our lives and wants the very best for each of us.

Through the blood of Jesus we have access to a deeply personal and loving relationship with Him, like that of an awesome, loving Dad.

As we spend time with God in worship, prayer and in his word we come to learn how he truly sees us and as we grow in that understanding our lives start to look radically different.

So you have not received a spirit that makes you fearful slaves. Instead, you received God's Spirit when he adopted you as his own children. Now we call him, "Abba, Father." For his Spirit joins with our spirit to affirm that we are God's children. And since we are his children, we are his heirs. In fact, together with Christ we are heirs of God's glory. But if we are to share his glory, we must also share his suffering.
