### WHAT EACH GROUP NEEDS:

- Core group of people who love the Lord
- Willingness to connect
  - Agreed time that works well for you
  - A clear purpose
  - Local is good!

### HOW WE CAN MAKE THIS HAPPEN:

- Staff can "seed" a new group and start it well.
- Your role is simply to have a desire to make relational connection happen.

### THESE CAN WORK FOR:

- Families or individuals
- Same sex or mixed groups
  - Intergenerational or similar stages of life
  - Meeting at homes or cafés or at church
  - Can meet monthly, fortnightly or weekly... but need to be regular.

### THERE ARE MODELS WE KNOW WORK:

Coffee HangOut  
6am before work, 10 am  
at a café... whenever

Pizza Group HangOut  
Meeting monthly for \$5 pizzas  
with other families might  
work perfect for you.

Soup & Buns  
5.30-7.30pm every fortnight  
could be just right for you  
& some others.

Other HangOut ideas  
you may have to meet,  
share & include faith.
